Dear Friends,

Ever since Obaidan left we above, I was trying to live in seclusion, remaining away from even my close friends. Last couple of weeks, I have made conscious efforts to meet few of my good friends and the result was excellent. These friends have restored my confidence and enthusiasm and have also taken me to a new frontier. Accessories are meant for the best of friends. It is the same with the world. We, internet, is several or all people's friends.

You will soon find that we have all once again with a renewed enthusiasm set only to stay offcast lot to take our FD to greater heights, maybe to touch the stars (One of them could be our dear friend).

Thanks & Regards,
Pooja Nair
