PAPER BOAT

A man was asked to paint a boat.

He brought with him paint and brushes and began to paint the boat a bright red, as the owner asked him. While painting, he noticed that there was a small hole in the hull, and quietly repaired it.

When finished painting, he received his money and left. The next day, the owner of the boat came to the painter and presented him with a nice cheque, much higher than the payment for painting.

The painter was surprised and said, "You've already paid me for painting the boat Sir!" "But this is not for the paint job. It's for having repaired the hole in the boat."

"Ah! But it was such a small service..."

"My dear friend, you do not understand. Let me tell you what happened.

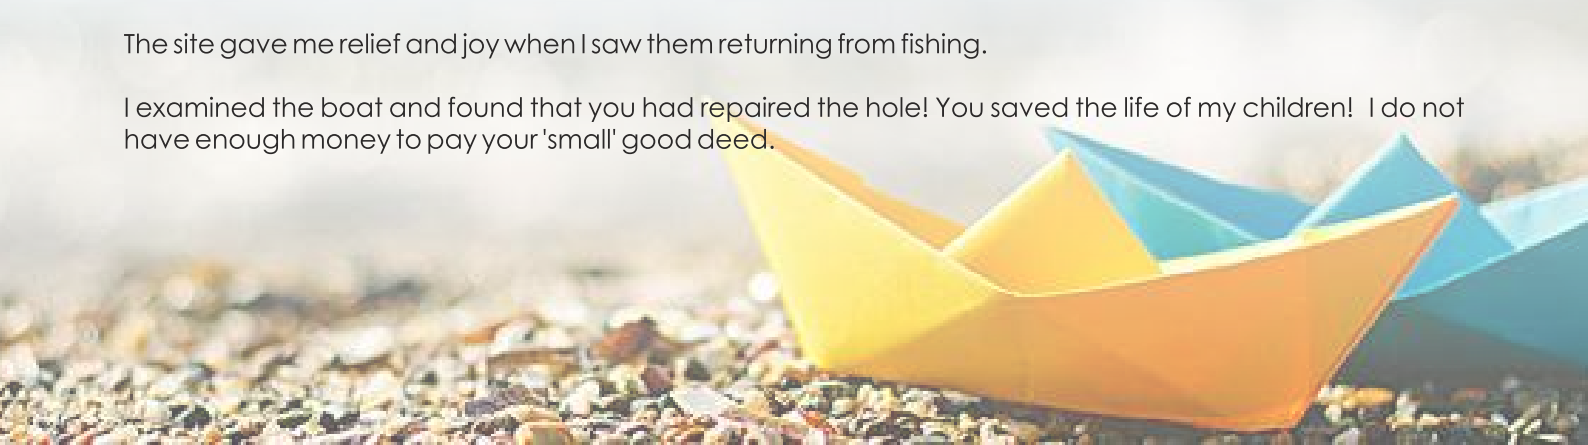

When I asked you to paint the boat, I forgot to mention about the hole.

My kids took the boat and went on a fishing trip. I was not there at home at that time.

When I returned and noticed they had taken the boat, I was desperate because I remembered that the boat had a hole.

The site gave me relief and joy when I saw them returning from fishing.

I examined the boat and found that you had repaired the hole! You saved the life of my children! I do not have enough money to pay your 'small' good deed.

USHA SCHOOL OF ATHLETICS: HALF YEARLY REPORT

FEI proudly celebrates the achievements of Abitha Mary Manuel at the 34th National Junior Athletics Championships & at the National Inter-University Athletics Championship in Mangalore.

“YOU INSPIRE ME TO BE BETTER!”

Dear Karong,

When people tell me I'm an inspiration to them, it humbles me.

Because all this while, the biggest inspiration in my life, has been you, my husband.

You helped me find my way in more ways than one, from Manipur to Delhi, from a good to great boxer.

You have been a loving father (and a mother) to our three sons and happily put my dreams before yours.

To do that takes a lot of strength and that is what has inspired me to become stronger, to become better.

**With Love,
Mary**
