THE MOON TAUGHT ME:
IT'S OKAY TO GO THROUGH PHASES.

THE SUN TAUGHT ME:
NO MATTER HOW MANY TIMES YOU GO DOWN,
KEEP RISING!

One afternoon, I went for a walk with a friend in the suburbs. Suddenly, an old man in tattered clothes approached us with a bag of green vegetables in his hand. The sales of those vegetables on that day was very poor, the leaves seemed dehydrated and yellowish and there were holes in them as if bitten by insects. But my friend bought three bags without saying a word. The old man embarrassedly explained: "I grew these vegetables myself. It rained a while ago, and the vegetables were soaked. They look ugly. I'm sorry."

After the old man left, I asked my friend: "Will you really cook these when you go home?"

He didn't want to say "NO" to me. "These vegetables can no longer be eaten."

"Then why did you take the trouble of buying them?" I asked.

He replied, "Because it is impossible for anyone to buy these vegetables. If I don't buy it, the old man will probably have no income today."

I admired my friend's thoughtfulness and concern, so I caught up with the old man and bought some vegetables from him. The old man said very happily, "I tried to sell them the whole day, but no one was ready to buy them. I am so happy that you both were willing to buy from me. Thank you so much."

Several handfuls of green vegetables that I can't eat at all taught me a valuable lesson.

When we are at a low ebb, we all hope that miracles will happen to us; but when we are capable, are we willing to be the ones who create miracles?

People become successful not only because their dreams get fulfilled, but because of their compassionate deeds. You become transformed when you are willing to learn to be compassionate to others.

vibrate higher

The reasons for having low vibration could be:
Fear, Phobia, Suspicion, Anxiety, Stress, Tension,
Jealousy, Anger, Rage, Hate, Greed, Attachment or
Pain

Hence so.....we have to understand to vibrate higher, so that
the lower frequency does not weaken our immune system.

The frequency of the earth today is 27.4hz. but there are places
that vibrate very low like:

Hospitals
Assistance Centers.
Jails
Underground etc.

It is where the vibration drops to 20hz, or less.

For humans with low vibration, the virus becomes dangerous.

Pain 0.1 to 2hz.

Fear 0.2 to 2.2hz.

Irritation 0.9 to 6.8hz.

Noise 0.6 to 2.2hz.

Pride 0.8 hz.

Superiority 1.9 hz.

A higher vibration on the other hand is the outcome of the
following behaviour:-

Generosity 95hz

Gratitude 150 hz

Compassion 150 hz or more.

The frequency of Love and compassion for all living beings is
150 Hz and more.

Unconditional and universal love from 205hz

So...Come on Vibrate Higher!!!

What helps us vibrate high ?

Loving, Smiling, Blessing, Thanking, Playing, Painting, Singing,
Dancing, Yoga, Tai Chi, Meditating, Walking in the Sun,
Exercising, Enjoying nature, etc.

Foods that the Earth gives us: seeds-grains-cereals-legumes-
fruits and vegetables-

Drinking water: help us vibrate higher!!!

The vibration of prayer alone goes from 120 to 350hz

So sing, laugh, love, meditate, play, give thanks and live!

Let's vibrate high!!!

The Spiritually inclined

will understand:

**The covid virus has a
vibration of 5.5hz and**

dies above 25.5hz.

**For humans with a
higher vibration,**

**infection is a minor
irritant that is soon**

eliminated!

The Value of Life

A man went to God and asked, "What's the value of life?"

God gave him one stone and said, "Find out the value of this stone, but don't sell it."

The man took the stone to an Orange Seller and asked him what its cost would be.

The Orange Seller saw the shiny stone and said, "You can take 12 oranges and give me the stone."

The man apologized and said that the God has asked him not to sell it.

He went ahead and found a vegetable seller. "What could be the value of this stone?" he asked the vegetable seller. The seller saw the shiny stone and said, "Take one sack of potatoes and give me the stone."

The man again apologized and said he can't sell it.

Further ahead, he went into a jewellery shop and asked the value of the stone.

The jeweller saw the stone under a lens and said, "I'll give you 50 Lakhs for this stone." When the man shook his head, the jeweller said, "Alright, alright, take 2 crores, but give me the stone."

The man explained that he can't sell the stone. Further ahead, the man saw a precious stones shop and asked the seller the value of this stone.

When the precious stones seller saw the big ruby, he lay down a red cloth and put the ruby on it. Then he walked in circles around the ruby and bent down and touched his head in front of the ruby.

"From where did you bring this priceless ruby from?" he asked. "Even if I sell the whole world, and my life, I won't be able to purchase this priceless stone."

Stunned and confused, the man returned to the God and told him what had happened. "Now tell me what is the value of life, God?"

God said, "The answers you got from the Orange Seller, the Vegetable Seller, the Jeweller & the Precious Stones Seller explain the value of our life... You may be a precious stone, even priceless, but people may value you based on their level of information, their belief in you, their motive behind entertaining you, their ambition, and their risk taking ability. But don't fear, you will surely find someone who will discern your true value."

In the eyes of God you are very precious.

Respect yourself... Don't undermine yourself.

You are Unique... No one can Replace you

Moral: We need to be placed in the correct place to get the maximum value out of our life.

Life in **FEI** **REKHA CHAUDHARY**

Hailing from a beautiful city of Delhi, as a woman, you get many opportunities to grow and groom yourself in such metro cities.

FEI brought along new opportunities and new achievements in my life. This journey started on 7th Feb 2007 when I joined our Delhi branch. Being a woman with confidence and self-belief, I knew I would reach greater heights in FEI.

I joined as an Executive - Sea Export and after a lot of hard work and dedication became the Branch Manager of our Delhi branch in 2011. That day, I went back home happily and celebrated my success with my lovely family.

With the new role, began my second chapter in FEI, where today, I lead a big team and manage my work efficiently. To balance the expectations and prove yourself all you need is confidence in yourself, and honesty towards your work.

In these 14 years, I have worked in various departments where I have always received support and encouragement from the staff as well as from all the seniors.

I am thankful to the organization for the opportunities given to me and I am happily looking forward to contributing further to help FEI reach greater heights.

Delhi and Kolkata Teams

We had a great project by airfreight where our we had to custom clear and deliver 26 tons of Machinery for **Pepsi Co Kolkata**.

As luck would have it no airline was willing to carry this in one lot to Kolkata.

Hence we decided to bring it to Delhi where the team headed by Subhash Chander handled it perfectly and loaded it on 3*40 trailers.

He ensured the vehicles could exit Delhi safely and the 3 trucks have safely reached West Bengal.

The agent and Pepsi were happy with the service we have provided to them.

Well done Subhash Chander, Delhi team and Kolkata team for ensuring smooth operation and prompt communication.
