The Race of Integrity

Do you remember this Kenyan runner Abel Mutai who was just few feet away from the finish line, but got confused with the signage and stopped, thinking that he had completed the race? The Spanish runner, Ivan Fernandez, was right behind him, realizing what was happening, started to shout at Mutai to continue running. Mutai didn't know Spanish, hence he didn't understand what Ivan was trying to tell him. Finally Ivan literally pushed Mutai to victory!

A journalist asked Ivan, "Why did you do that?" Ivan replied, "My dream is that someday we can have a kind of community life where we push and help each other to win." The journalist insisted "But why did you let the Kenyan win?" Ivan replied, "I didn't let him win, he was actually winning."

This race was his. "The journalist asked again, "But you could have won!" Ivan looked at him and replied, "But what would be the merit of my victory? What would be the honor in that medal? What would my mother think of that?"

Honesty is the mother of virtues.

A WALLPAPER PASTED BY A DOCTOR IN HIS OPD

Karma

After Shri Krishna killed Kansa (Kansa), he went to the jail to release Vasudev and Devki, his mother and father.

Devki mata asked eagerly, "Child, you are God yourself, and you have divine powers; then, why did you wait fourteen years to kill Kansa and release us?"

Shri Krishna replied, "Respected mother, forgive me. But why did you send me to the jungle for fourteen years in my last birth?"

Devki was very surprised and said, "Krishna, how is this possible? Why are you saying this?"

Shri Krishna replied, "Mother, you will not remember anything about your previous birth.

But you were Kaikayi in your last birth and your husband was Dashrath".

Devki was very surprised and asked curiously, "Then, who is Kausalya now?"

Shri Krishna replied, "Mother Yashoda. The fourteen years of mother's love that she was deprived of in her last life, she got it in this life.

Everyone has to bear the fruits of their karma, even the gods cannot escape from it.

Keep an eye on what karma you want to accumulate.
