## IT'S YOUR WORLD

Mumbai | Vol 13 | Issue 01 | JUNE 2020 | A Publication of FEI Cargo Ltd. | Free Distribution

*“Dear Unnikrishnan,  
we will miss you,  
your warm smiles and  
positive attitude.”*

“

I had a lot in common with Unni. We both were silent operators ( Managers). We managed our work and people, without shouting and in a very friendly way. Customers also felt confident, when we promised them something. People remembered our smiling face.

We both were keen on learning and climbing up the stairs ( We did not prefer lift or there was no lift available). There was no God father to hold our hands other than God Himself and our hard work and confidence in our own ability. My son loved Unni and they had a very different relationship. ”

- Pratap Nair

“

Anyone who has dealt with Unnikrishnan has not forgotten him . I shared this news with a couple of my friends in Delhi whom I had met with him and they were as shocked as me.

I just wish it is a bad dream and tomorrow when I wake up something like this has not happened . Our world in FEI has changed forever. The world has lost a great human being and we have lost a great colleague. Someone who has so humble , modest , a great team player and a good learner . He was learning to become a great leader as well . He always spoke to people well .

Even the neighbours in Delhi where he must have lived for only 6 months or so were ready to do anything for his family because they all knew he was such a great person. I am going to miss him around us and I am sure we all are going to miss him for sure .

May your soul Rest In Peace Unni .

We will never forget you . ”

- Abhijeet Pratap Nair

## *our mother our angel*

**Komalavally Nair** - born in 1929

“

Amooma (My paternal grandmother) had lived her life like a queen all through the days she was fit. She was known for her kindness and helpful nature. After 2007, she lost her faith and her willpower was on a decline. Her alzheimers took over her and that affected her health. She could barely recognize any of us. Today (25th May 2020), while she left us at 6.40 pm, her face was peaceful. And that's what matters to us. She has left us with a rich heritage and was blessed to see 2 great grand sons. She will be fondly remembered as Komalachechi by everyone in Arookutty. ”

- Abhijeet & Vidhi Nair

Unnikrishnan was born in a Govt Hospital in Chelakkara, Trichur Dist, Kerala.

We still remember his naming ceremony at an Ayyappa Temple in our village Kurumala. Sitting on the lap of his maternal uncle naming him “Unnikrishnan”. The name was our mother’s (Saraswati) choice, since the first chance taken by my dad for naming me “Manikandan”, his favourite deity. Our Dad’s name was Shankaranarayanan.

He was the youngest in 5 children. He enjoyed the love and affection of 3 sisters (Usha, Geeta, Preeta) and myself (Manikandan) third in order.

Completed his schooling from Shree Moolam Thirunal High School, Chelakkara and completed BCom from Lyceum college, Chelakkara under Calicut University.

We lost our father due to heart attack in year 2000. I was staying with him then.

Post completion of his graduation, he came to Mumbai in pursuit of job where he stayed with me & our mother in Kalyan. Started off with a Logistics firm, OOCL as import-export executive. Quickly he learned the tricks of the trade and grew up in the corporate ladder. Prior to joining FEI he was with Toll International.

He got married to Nisha on 15 November 2008. His daughter Ananya was born on 14/10/2009. The happy family was staying in Kalyan before shifting to Delhi in Feb'19 post joining FEI.

“Unni” as he was called by all, had hundreds of friends at our native and in Mumbai. He developed many new friends in Delhi too, within a year’s time. It paid off on his last journey to Mumbai on 24th April'20 in an ambulance.

“

Unnikrishnan we use to call him Unni . He joined us 1.5 years back but the first time we met personally was when he came to Mumbai to show his mother to the doctor. A sober person with a charming smile always...

He used to always think about everyone. He used to care for his colleagues, their safety and health which makes him a true leader.

He was a great planner and a good branch manager.

I was really shocked I was informed about his demise.

I pray to God to give strength and courage to his family. May his soul rest in peace.

”

- Smita Pillai (Corporate Office)

“

I still can't believe that our Unni is not with us...

Though we had known each other for over a year, we become close after the personal meeting during the Senior Managers Conference at Ahmedabad wherein we had stayed together and discussed and planned many things that we had to do together.

He was brilliant, down to earth and very friendly with everyone and he used to take good care of his colleagues. He will remain always in my heart and I pray to God almighty to give strength to his family to overcome this grief.

”

- KB Radhakrishnan (Chennai)

“

The first time I met Unni was when he had come for the Logisys training in Mumbai. He came across as a simple, knowledgeable person who understood systems and processes well.

He brought a new sense of respect to the Deihi team. We could count on him to make things happen and all the team members rallied around him.

He would look after all the customers and anyone who came in touch with him, would always recall him fondly.

He was an avid learner and a good team player.

I will miss Unni, and pray that his soul rests in peace...

”

- Kumar Naidu (Mumbai)

“ We, FEI Family experienced a deep loss on April 23rd night of 2020. We lost Unnikrishnan, profoundly known as Unni.

I befriended him when he joined the FEI family. He took in a very tough and challenging job profile from his comfort zone of Mumbai to move to Delhi which was a totally new market for him..

He overcame the initial hurdles and started contributing to the growth/development of the organization. He generously shared his knowledge, his expertise and his skills and was eager to take up new challenges.

Unni was a genuinely warm and wonderful individual and will be missed greatly..

Our hearts and prayers are with his wife and daughter in this most difficult times.

”

- Sheen Thomas  
(International Division)

“ I had limited interaction with him though we met for the first time during our Senior Managers meeting at Ahmedabad. During my limited tenure I found him a soft spoken, humble, careful and responsible person.

It's a shock to us, at his sudden demise.

I pray to Lord Krishna to keep his soul rest in peace.

”

- Mahesh Chokshi  
(Ahmedabad)

“ Unni was humble and had good organizational skill. He was a dedicated employee who took ownership for the work assigned to him.

His dedication was so deep that the pain in his body/mind/heart was insignificant.

Let us Pray for the departed Soul and God bless his family.

”

- Basanta Pradhan  
(Corporate Office)

“ Heart felt condolences to Unni's family, really shocking news.

”

- Mansi Jani

“ Unni and I had very less interaction as he was been sitting next to me at all india managers meet but he was smiling and very silent by nature.

May his soul rest in peace.

”

- Vikrant Vakhare  
(Mumbai)

“ I had very little interaction with Mr Unnikrishan but what ever I had was great.

Mr Unnikrishan and self must have met a couple of times once in Mumbai, the conference in Ahmedabad and finally in Delhi, he was a man with great determination and grit, we have lost a great human being and a honest employee, it will be a huge task to replace a person like him in Delhi.

”
