ALL FEI MEMBERS

### Christmas Carol

A Christmas carol (also called a Noël) is a carol (song or hymn) whose lyrics are on the theme of Christmas, or the winter season in general. They are traditionally sung in the period before Christmas. The tradition of Christmas carols hails back as far as the thirteenth century, although carols were originally communal songs sung during celebrations like harvest tide as well as Christmas. It was only later that carols began to be sung in church, and to be specifically associated with Christmas.

### From the CEO's desk...

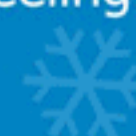

Dear Friends

"JUST REMEMBER ONE THING AJAY, WE AT FEI ARE ALWAYS TOGETHER" - Randhir.

Hearing this coming from a relatively new Senior Manager of FEI group has brought immense pleasure and satisfaction to me. It has been one of the most precious rewards I have got in my long 18 years of working with FEI.

I have seen this attitude from many in FEI, whenever we met with major calamities, the last one being our Madam's departure. She also believed in the same sentiments and I pray to her and to you all, may this cordial feeling remain throughout our life.

Best Personal Regards,  
**Pratap Nair**

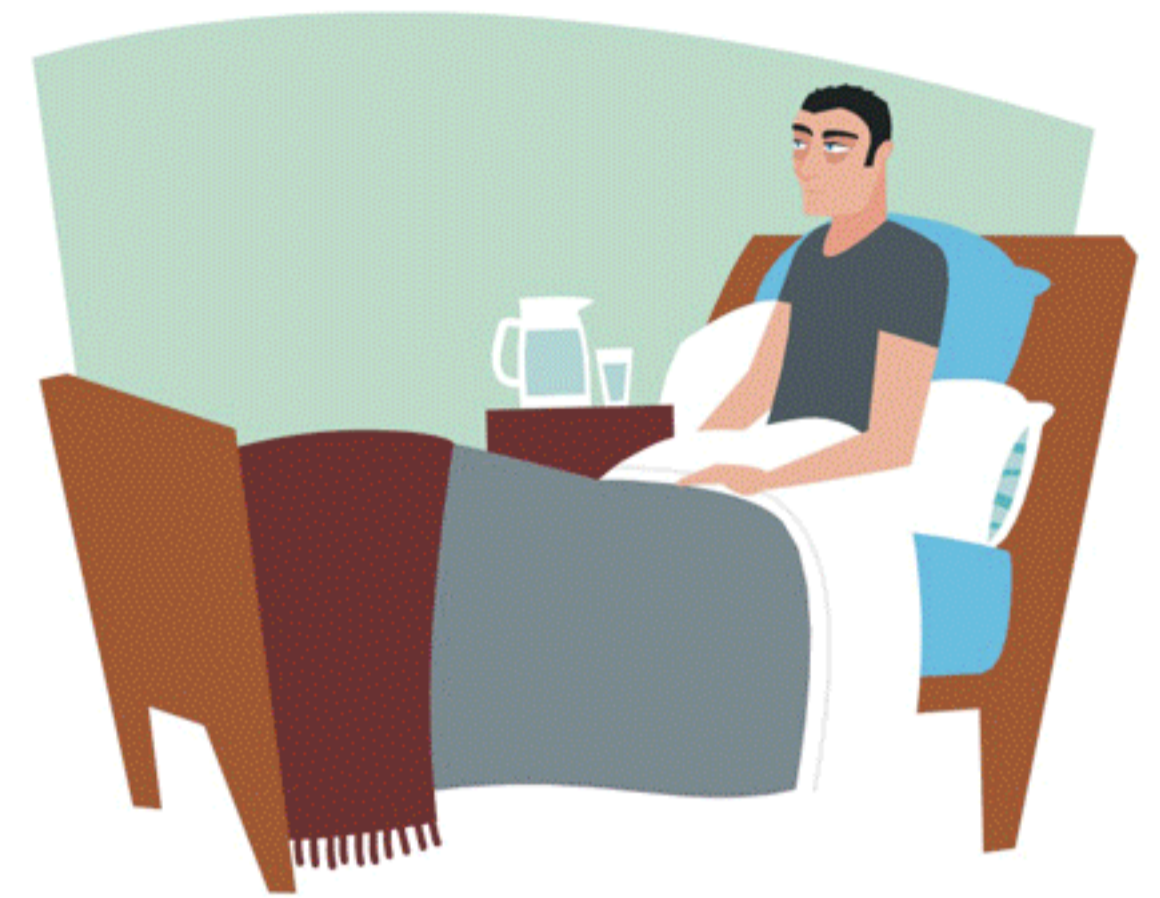

## Nice Thought !!!!

Arthur Ashe, the legendary Wimbledon player was dying of AIDS which he got due to infected blood he received during a heart surgery in 1983. From world over, he received many letters from his fans, one of which conveyed:

"Why does GOD have to select you for such a bad disease" ?

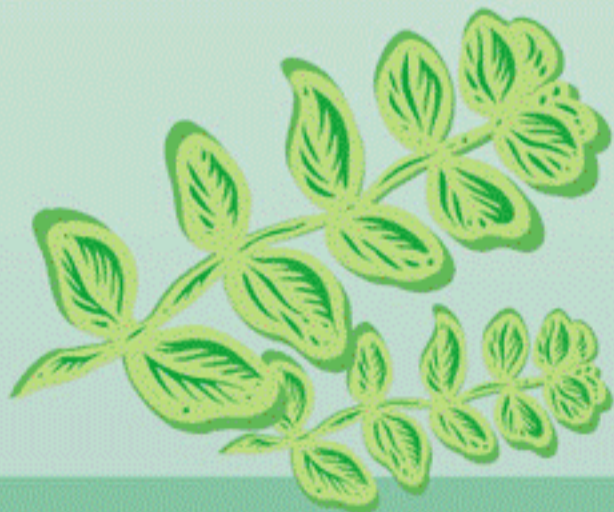

To this Arthur Ashe replied:

The world over 5 crore children start playing tennis,  
50 lakh learn to play tennis,  
5 lakh learn professional tennis,  
50,000 come to the circuit,  
5000 reach the grand slam,  
50 reach Wimbledon,  
4 to semi finals,  
2 to the finals,  
When I was holding a cup I never asked GOD "Why me?".  
And today in pain I should not be asking GOD "Why me?"

Happiness keeps u Sweet, Trials keep u Strong,  
Sorrow keeps u Human, Failure keeps u Humble,  
Success keeps u Glowing, But only God keeps u Going...

**"Quitters never Win & Winners never Quit"**

'AYUR' MEANS LIFE ,  
'VEDA' MEANS SCIENCE SO "AYURVEDA" MEANS THE SCIENCE OF LIFE  
HUMAN BODY IS MADE OF SPACE, AIR, FIRE, WATER AND EARTH

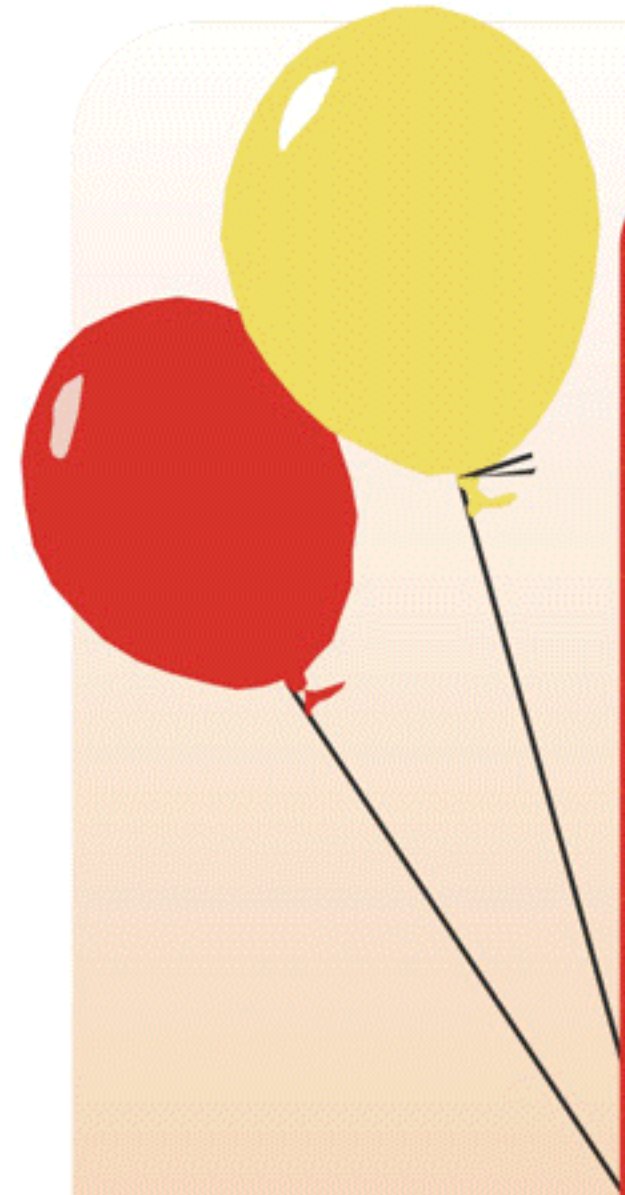

**(FESTIVAL) CAME IN FROM THE WORD 'UTSAH' (ENTHUSIASM/EXCITEMENT)**  
SO MAKE YOUR LIFE AN "UTSAV" WITH ENTHUSIASM AND EXCITEMENT

Dear All  
We take pleasure in informing you that Ms. Priya Rajagopalan has been appointed a sub-editor of FEI DUNIYA on probationary basis. She writes well, and hopefully, she would be in a position to get other FEI members to contribute to our magazine. You can write to her on FEI DUNIYA's Email ID. We wish her all the best.

# Presence of Mind

An old man lived alone in Minnesota. He wanted to spade his potato garden, but it was very hard work. His only son, who would have helped him, was in prison. The old man wrote a letter to his son mentioning his situation:

*Dear Son,*

*I am feeling pretty bad because it looks like I won't be able to plant my potato garden this year. I hate to miss doing the garden because your mother always loved planting. I'm just getting too old to be digging up a garden plot. If you were here all my troubles would be over. I know you would dig the plot for me, if you weren't in prison.*

*Love,  
Dad*

Shortly, the old man received this telegram:

**FOR HEAVEN'S SAKE, DAD, DON'T DIG UP THE GARDEN!! THAT'S WHERE I BURIED THE GUNS!!**

At 4 am the next morning, a dozen police officers showed up and dug up the entire garden without finding any guns. Confused, the old man wrote another note to his son telling him what happened and asked him what to do next.

His son's reply was: "Go ahead and plant your potatoes,

Dad... It's the best I could do for you from here."

NO MATTER WHERE YOU ARE IN THE WORLD,  
IF YOU HAVE DECIDED TO DO SOMETHING  
DEEP FROM YOUR HEART, YOU CAN DO IT.  
IT HAS ALWAYS BEEN THE THOUGHT  
THAT MATTERS...

## Was He Being Too Lazy??

Heard of Mr. Deepak Mohoni?? **No???**

Heard of **Sensex?? Yes!!**

Yes... he was the one who merged Sensitivity Index to **Sensex**. Little did he know that his coinage Sensex would assume so much significance in the times to come. An IIT and IIM pass out; Mr. Mohoni is the CEO of Trendwatch India and very modestly admits that it was reasons of clear simplicity that he abbreviated the word that went on to become a sensation. He was too lazy to type two words for writing Sensitivity Index. So for ease, he christened it Sensex for his columns in 1989. Its popularity has risen so much that the Bombay Stock Exchange is looking to patent this happening Sensex.

Today fluctuations in the sensex have a direct relation with the heart beats of millions of Indians as they remain glued in front of the monitors right from the opening of the stock market till it closes at noon.

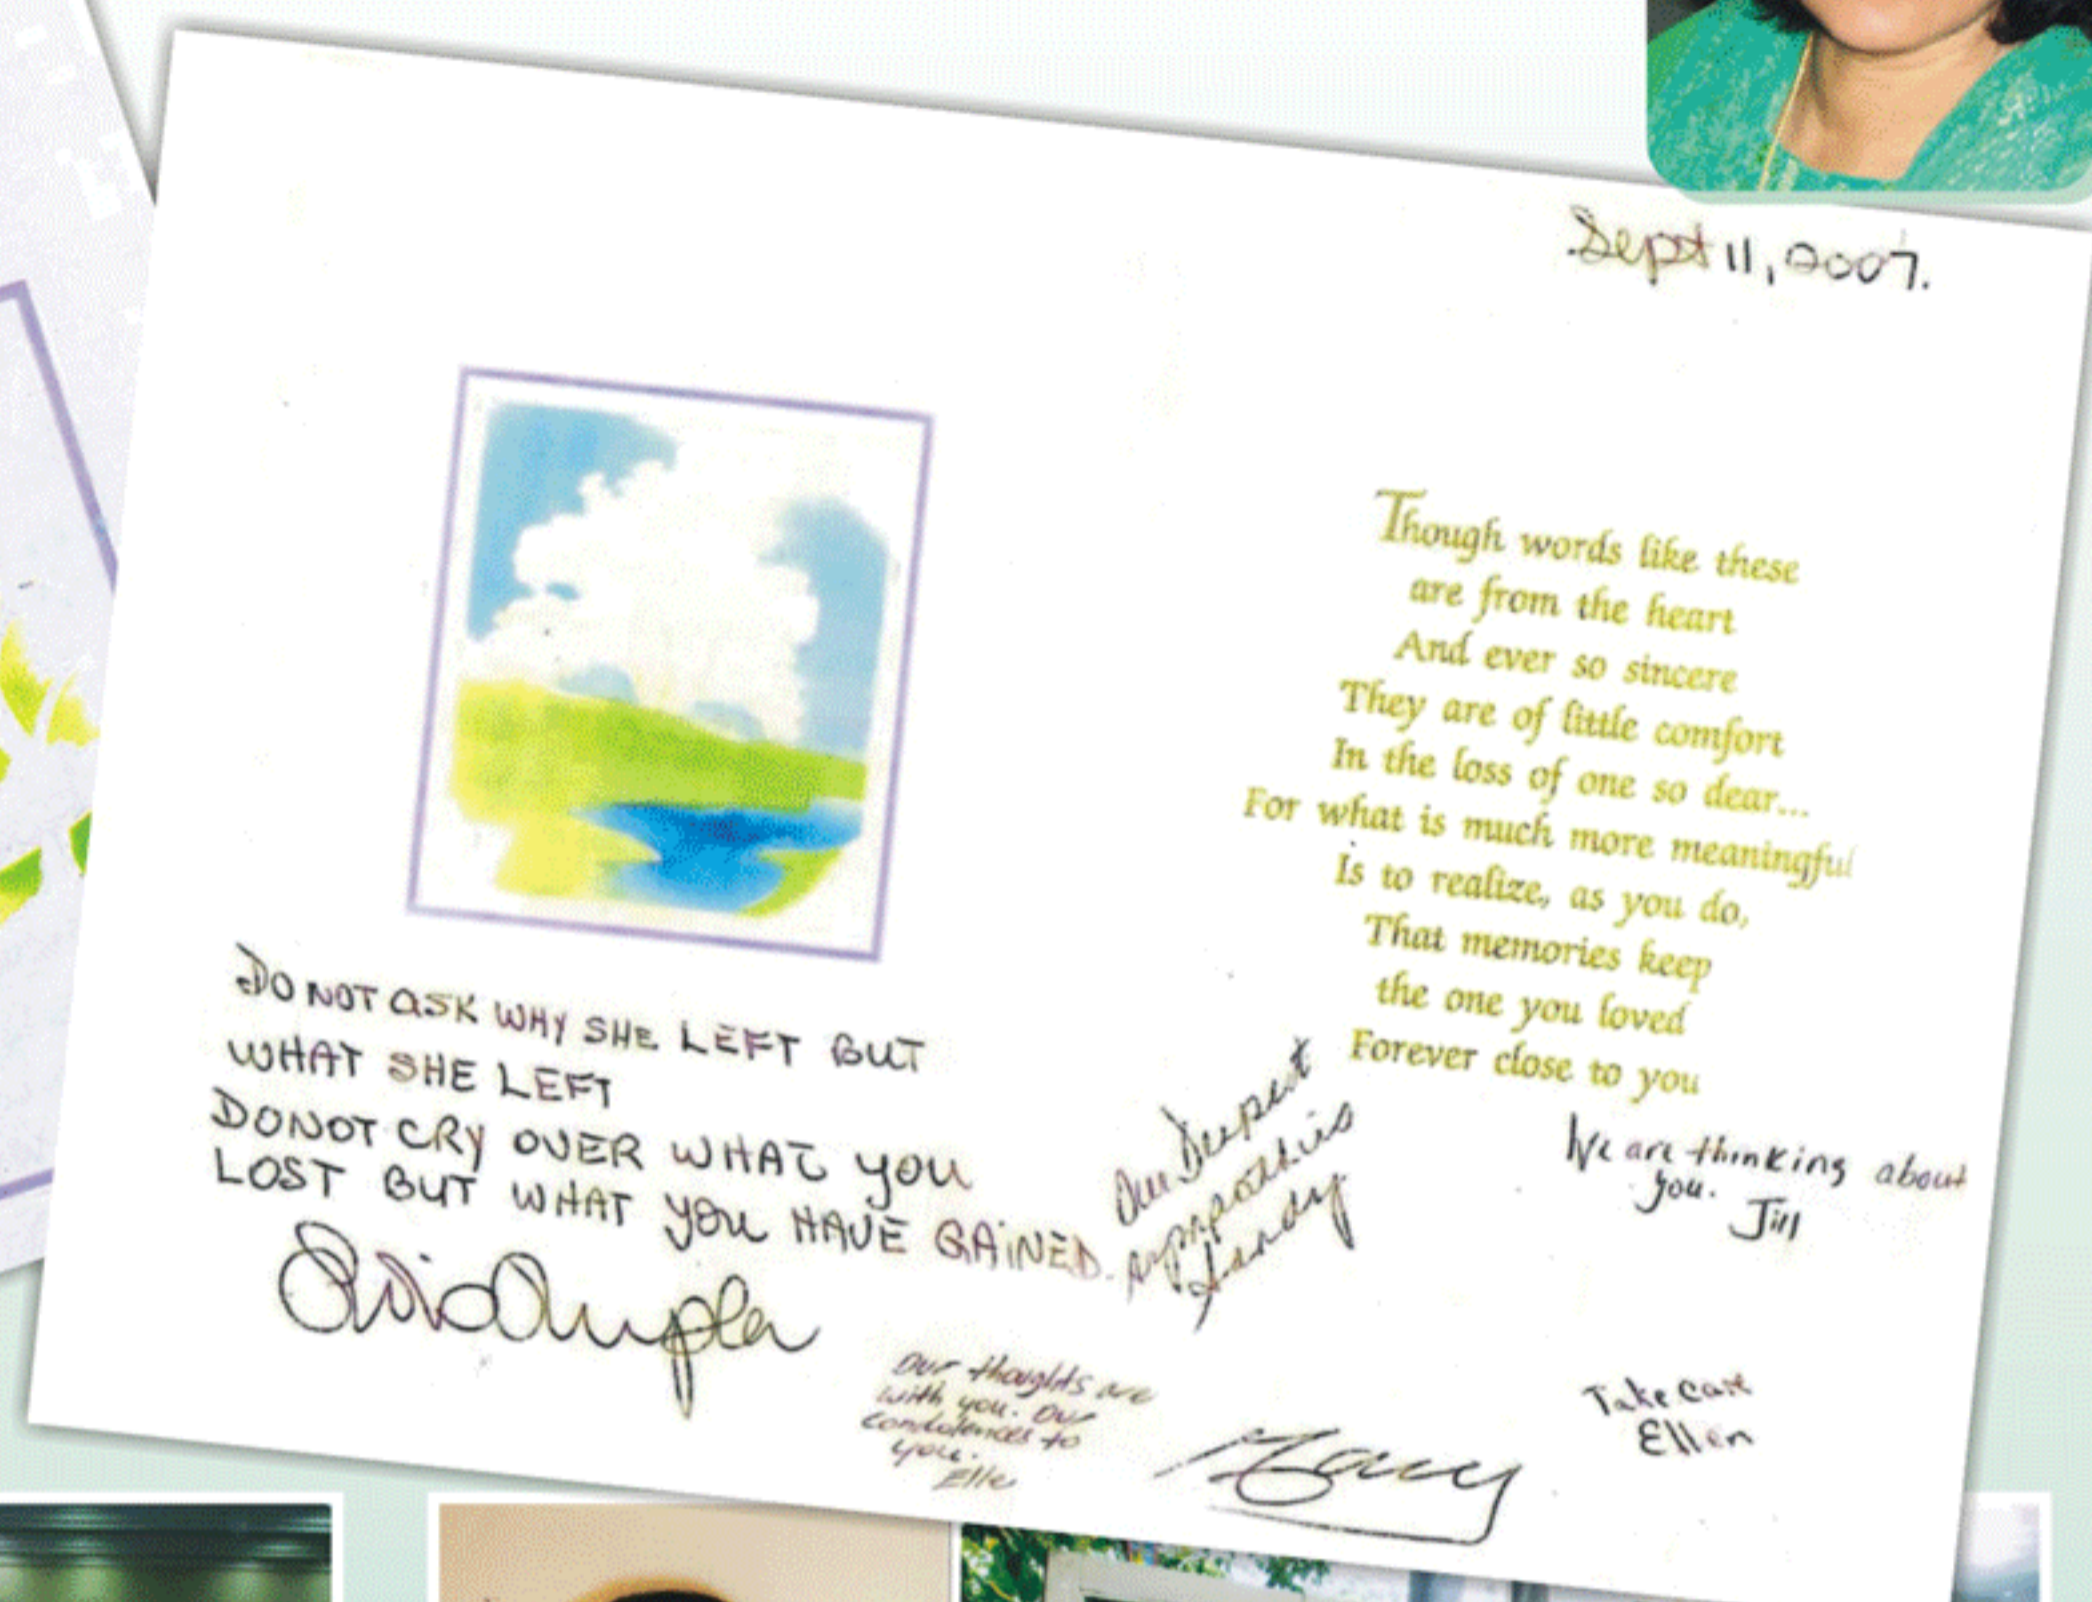

Should we say that he was being too lazy... Or is it that he has created a new sensation...
