## Birthday Boy

An outstanding student is not only found in schools but at offices too. An employee who learns well, practices the same and works hard to make his teachers/seniors proud is the one who is termed as outstanding. One such student is Nitin Mulay of Mumbai branch, our birthday boy for this month.

An individual with lot of ability and technical skills, Nitin shares an excellent relationship with everyone in FEI. He loves keeping his seniors comfortable by resolving most of the issues by himself through hard work and understanding.

Nitin takes care of Import Documentation responsibilities. His friendly way of talking helps him build a bond with our customers and vendors as well. We are fortunate to have such a dedicated family member since 2008.

FEI family wishes him a very happy birthday. Do convey your personal greetings to him on 9004862660.

## Mumbai

The city Mumbai, known as Bombay until 1995, is the port city, situated on the west coast of the Indian peninsula. Deriving its name from Mumba Devi, a Goddess of local Koli people, Mumbai grew up around a fort established by British in the mid-seventeenth century to protect their trading interests along India's western coast. Today, Mumbai is India's commercial and financial capital, and the summer capital of Maharashtra State. Mumbai is the head quarter of FEI; Mr. Nair started his journey of building FEI and opened the first office in Mumbai in the year 1989.

The harbour and wide bay between the city and its main land has allowed Mumbai to be a natural shipping and trading centre. Almost all types of commodities are imported and exported from Mumbai. Imports and exports are handled through Jawaharlal Nehru Port Trust (JNPT), Mumbai port and Chatrapati Shivaji International Airport of Mumbai. Nhava Sheva is the biggest port in India in terms of size and business volumes handled.

FEI Mumbai experiments with all kind of responsibilities in the logistics Industry, since this is its birth place. All experiments starts here...

## Tirupur

Tirupur is a textile city located on the banks of Noyyal River is also called the Dollar city. FEI has had its presence in Tirupur for more than a decade now. 'Tirupur' is synonym with garment exports. The sea exports happen from Tuticorin and Chennai port and air cargo moves from Chennai/Bangalore airport, though Tirupur has its own Inland Container Depot (ICD).

We have a dedicated team in Tirupur who co-ordinate the movement of shipments to Chennai/Bangalore/Tuticorin. They have been doing everything possible to ensure our customers feel comfortable once the cargo is handed over to FEI.
